

Interface Issues of Gestures and Verbal Semantics and Pragmatics

Programme

- 14.00 - 14.30 Hannes Rieser (University of Bielefeld)
Introduction: Speech-gesture Interfaces. An Overview.
- 14.30 - 15.00 Gianluca Giorgolo (King's College, London)
Gestures at the Semantics-Pragmatics Interface
- 15.00 - 15.30 Andy Lücking (Goethe University, Frankfurt)
Interfacing Speech and Co-verbal Gesture: Exemplification
- 15.30 - 15.45 Insa Röpke (University of Bielefeld), Florian Hahn (University of Bielefeld), Hannes Rieser (University of Bielefeld)
Interface Constructions for Gestures Accompanying Verb Phrases
- 15.45 - 16.00 Carolin Kirchhof (University of Bielefeld), Jan de Ruiter (University of Bielefeld)
The audiovisual integration of speech and different gesture types
- 16.00 - 16.30 Coffee Break
- 16.30 - 17.00 Julius Hassemer (University of Aachen)
Towards a Typology of Gesture Form: Results from Gesture Analysis and a Motion-Capture Study
- 17.00 - 17.30 Jana Bressemer (European University Viadrina, Frankfurt)
Gestural repetitions and the construction of multimodal utterance meaning
- 17.30 - 18.00 Silva Ladewig (European University Viadrina, Frankfurt)
Creating multimodal utterances: The syntactic and semantic integration of gestures into speech
- 18.00 - 18.30 Henning Holle (University of Hull)
Identifying linguistic and neural levels of interaction between gesture and speech during comprehension using EEG and fMRI
